Hensgens HB No. 79

**Abstract:** Provides relative to the preparation, content, rehearsal, review, revision, and approval of school crisis management and response plans.

### Definition

Present law defines a "crisis management and response plan" as a plan to:

- (1) Address school safety and the incidence of violence, at schools, on school buses, and at school-related activities.
- (2) Respond effectively to such incidents.
- (3) Ensure that every student, teacher, and school employee has access to a safe, secure, and orderly school that is conducive to learning.

Further requires that plans also address the management of any other emergency situation. <u>Proposed law retains present law.</u>

## Plan preparation

<u>Present law</u> requires each public school principal to prepare a plan in accordance with school board policy and to consider and include, if appropriate, input from students and their parents, teachers and other school employees, community leaders, local law enforcement, and fire, public safety, and emergency preparedness officials.

<u>Proposed law</u> requires the principal to prepare the plan jointly with -- not just consider and include input from -- local law enforcement, fire, public safety, and emergency preparedness officials. Deletes the requirement that the plan be prepared in accordance with school board policy. Retains the requirement relative to the consideration and inclusion, if appropriate, of input from teachers and other school employees, students and their parents, and community leaders.

#### Plan content

<u>Present law</u> requires the plan to detail school employees' roles and responsibilities and coordination agreements, services, and security measures in the event of a violent incident or

emergency situation.

<u>Proposed law</u> additionally requires each plan to provide that classroom doors with locks in compliance with fire safety standards remain locked during instructional time.

## Plan review, revision, and approval and reporting requirements

<u>Present law</u> requires each public school to review the plan annually. <u>Proposed law</u> specifically requires each principal, jointly with local law enforcement, fire, public safety, and emergency preparedness officials, to review the plan at least once annually and revise it as necessary and, as in initial plan preparation, to consider and include, if appropriate, input from teachers and other school employees, students and their parents, and community leaders in plan review and revision.

<u>Present law</u> requires each school to submit the plan and resubmit any revised plan to the local school board for approval. <u>Proposed law</u> requires each school principal:

- (1) To submit the plan in writing to the local school superintendent for approval, rather than the school board, at least once annually, including upon each revision.
- (2) To notify all teachers and other school employees regarding plan revisions.

<u>Proposed law</u> additionally requires the local superintendent to report annually to the public school governing authority on the status of the plan of each school under the governing authority's jurisdiction.

### Plan rehearsal

<u>Proposed law</u> requires each public school principal:

- (1) To conduct a safety drill to rehearse plan components within the first 30 days of each school year.
- (2) To submit a written report summarizing drill details to the local superintendent not later than seven days after the drill; authorizes the superintendent to comment on the drill to the principal, who may incorporate such comments into a revised version of the plan.

# Rules and regulations

<u>Proposed law</u> authorizes the governing authority of each public elementary and secondary school to adopt rules and regulations to provide for <u>proposed law</u> implementation.

### Charter schools

<u>Proposed law</u> is applicable to all public schools, including charter schools, and for <u>proposed law</u> purposes, "local superintendent" of a charter school means the chief executive officer of the

school or other employee holding an equivalent position.
